PROGRESSIVES JUSTIFIED BY LA FOLLETTE'S WITHDRAWAL

HOUSER PROVEN RESPONSIBLE FOR ACTION

Leading Progressives Sign a
Statement of Real Facts
in the Case

ILLINOIS TO BE CENTER OF POLITICAL STAGE

Principal Candidates on Ground
at Same Time—La Follette
Pushes His Campaign

WASHINGTON, April 5.—A signed statement by Amos and Gifford Pinchot, William Kent and Medill McCormick, addressed to Governor Hiram Johnson, disavows the charge that Johnson or those and other leading progressives at any time deserted La Follette on his candidacy for president. The statement asserts that "Walter Houser, La Follette's campaign manager, stated positively after the Philadelphia publishers' banquet speech, that La Follette's candidacy was withdrawn; that they were free to throw their support to Roosevelt, which he advised them to do."

Houser told these and other progressives of a typewritten announcement in which La Follette specifically withdrew from the race, released his friends and advised them to support any candidate whom they thought would best advance the progressive cause.

The typewritten announcement of La Follette's withdrawal was shown Gibson Gardner and other friends, but later another announcement was substituted and published which Houser told La Follette's friends should be interpreted as a release.

"The progressive statement also declares that Colonel Roosevelt never at any time promised his support to La Follette, and at all times made it clear that he would not bind himself to refuse the nomination if it were offered him."

These declarations of the Pinchots, Kent and McCormick are corroborated by Gibson Gardner, Geo. L. Record and John D. Fackler, all progressive leaders, who were La Follette supporters and in a position to know the facts.

LA FOLLETTE CLAIMS BOTH CALIFORNIA AND NEBRASKA
SANTA ANA, Cal., April 5.—"I am just beginning to fight," declared Senator La Follette today before a large audience at Plattsmouth, where he opened his Nebraska tour. "I expect to carry Nebraska and California. I expect to go to the Chicago convention second in the number of delegates."

During the day he spoke at Maynard, Duray, Union, Wyoming, Nebraska City, Auburn, Stella and Vernon.

Illinois Political Center
CHICAGO, April 5.—Illinois became the center of the nation's political activity today with the arrival of Woodrow Wilson on a two days' speaking tour. He spoke this morning at Joliet, Pontiac, Dwight, Lincoln and Bloomington, this afternoon at Springfield, and will speak tonight at Peoria.

Campaigners in a dozen cities are paying the way for Col. Roosevelt's arrival tomorrow.

Senator La Follette is scheduled for a score of speeches in the same cities and at the same hours as the Roosevelt and Wilson meetings.

Senator Townsend of Michigan and Secretary of Agriculture Wilson tomorrow will join Congressman Martin of South Dakota and former Governor Bachelder of New Hampshire in campaigning for President Taft.

Senator Stone of Missouri made several speeches here today in behalf of Champ Clark. Clark is backed here by the Hearst-Carter Harrison alliance.

DOES NOT DENY ADVISING LA FOLLETTE'S WITHDRAWAL
FRESNO, April 5.—Replying to Governor Johnson's charges that the desertion of Johnson, the Pinchots and other progressives from La Follette's campaign manager, today dictated the following to the United Press:

"Whatever may or may not have been said by La Follette's withdrawal from the presidential candidacy, the final determination of his course was made by himself. He personally notified Gifford Pinchot and others who were urging him to withdraw, that when he consented to become a candidate he served notice on Pinchot and others that, once entered, he would go through to the end and there would be no turning back."

Gov. Johnson Gives Lie To Charge of Desertion

SACRAMENTO, April 5.—Governor Johnson flatly refused to add to or to comment further on his last night's statement of the reasons for the La Follette League of California switching to Roosevelt for president. The statement included the details of a meeting in the East, where Walter Houser, La Follette's campaign manager is alleged to "have been one of the first to urge, in the interest of the progressive movement, that La Follette should withdraw in favor of Roosevelt."

Governor Johnson in his statement last night, said that he was in close conference with prominent progressives of the nation when in New York, including men like Gifford Pinchot, George L. Record of New Jersey, Amos Pinchot, Medill McCormick, Gilson Gardner and others, all of whom were actuated by one purpose, the success of the great cause. They all felt keenly that the candidacy they had espoused had not progressed as they had hoped.

Johnson then refers to the night La Follette spoke to the publishers in Philadelphia, and by his unwise utterances showed that his candidacy, already injured by his devotion to his autobiography, could no longer continue. Johnson refers to "the meetings subsequently held, with which, of course, Senator La Follette was familiar," and says that "Houser, representing La Follette, stated that La Follette's candidacy was at an end and that the advocates of La Follette should follow the leader who could best advance the progressive cause. It is ridiculous to suppose that the man who is still the campaign manager of La Follette acted without the knowledge of La Follette himself."

Governor Johnson further says that

during the Eastern conferences he was constantly in communication with California progressives, asking their advice, and that the upshot of the whole matter was that California progressives, both "north and south," agree that there was but one course to pursue for the cause that we represented, and that was to declare for Roosevelt, as nearly all the progressives of national prominence had done."

Later the matter was submitted by Chester H. Rowell to the State La Follette League of 1800 members, "with the result that the La Follette League decided by a vote of about six to one upon the same course."

Governor Johnson further states that Houser authorized Geo. L. Record, the New Jersey leader of the progressives, to announce at a progressive meeting he was about to attend, that La Follette's candidacy was at an end, and that Record declare for Roosevelt. Johnson further says that other progressive leaders, including Senator Works and John D. Fackler of Ohio, Senator Clapp, the two biggest progressive editors, E. A. Van Valkenburg of the Philadelphia North American, and Col. W. R. Nelson of the Kansas City Star, all fell into line for Roosevelt on the same understanding. He says that Johnson then said: "I know that Houser personally released the Pinchots, McCormick and the others."

He then says: "Just one thing more I add, what I have repeatedly publicly said: There is no candidacy on my part for the vice presidency." Governor Johnson goes today to San Francisco to complete arrangements for his Saturday speech at Dreamland Rink, where he is expected to further comment on the La Follette affair.

Morgan May Be Unofficial Aid In Ending War

LONDON, April 5.—Cables from Rome say that the Kaiser has "commanded" J. Pierpont Morgan to meet him at Venice. It is believed he wishes to confer regarding the Turko-Italian war. Morgan recently visited King Victor Emmanuel of Italy. It is believed that King Victor told him the best terms that Turkey can expect. If Morgan should unofficially communicate these to the Kaiser, the latter would probably forward them to Constantinople. It is believed Morgan will try to persuade the Kaiser to use his influence to get Turkey to cede Tripoli to Italy and thus end the war.

Bulletins of News

Hot from the wire up to 3:30 p. m.

THE WEATHER

Cloudy tonight, fair Saturday; light north wind.

Ashurst of Arizona

To Offer Judge Recall Bill

WASHINGTON, April 5.—Senator Ashurst, one of Arizona's first members in the upper body of Congress, said yesterday he soon would introduce a bill for the recall of judges, but would not include the Supreme Court of the United States in its provisions.

Lieut. Gen Uehara

Is Japan's New War Minister

TOKYO, April 5.—Lieutenant General Yushima Uehara was appointed war minister today.

TONG WAR RENEWED TODAY IN 'FRISCO; ONE VICTIM

SAN FRANCISCO, April 5.—The tong war was renewed this morning when two Sing Suey Ying tongmen called Tse Quong Sing, a member of Hip Sing tong, to the door and shot him three times. The Doctors say he is dying.

The police guard in Chinatown has been doubled in the belief that Hip Sing tong will attempt to retaliate.

GOOD SIZED TROUT

Los Angeles Lad Hooks 4-Pound Trout, 24 Inches Long in Redlands Stream

REDLANDS, April 5.—Benjamin Pearson, a Los Angeles lad who is visiting at the home of E. V. Wilson, an Edison Electric Company official, in Mill Creek canyon, this week caught a trout twenty-four inches long and weighing four pounds. It is the largest ever taken from the stream.

TRAMPING BACK WHENCE THEY CAME

I.W.W. Leader Tells of the
Mix-up With Officers at
San Onofre

FIFTEEN MISSING ACCOUNTED FOR

Made Them Kiss the American
Flag—May Speak Here
Tonight

Chas. Delacour, a federal immigration officer, County Detective McDuell and other San Diego officers arrived here at noon today to see if there were more I.W.W. bands headed for San Diego. The statement of an I. W. W. man here Wednesday to the effect that there was another crowd of 100 started from Los Angeles cannot be verified.

They deny that any I. W. W. was seriously hurt in the mix-up at San Onofre, excepting a man who fell and hurt his knee-cap. Several of the men were taken to jail, but the reports given by returning I. W. W. men of several men laid out with clubs is denied.

The story that the I. W. W. men were made to kiss the American flag and sing "The Star Spangled Banner" is proven to be the truth. About forty-five members of the I. W. W. walked into Santa Ana today, tramping here from San Juan Capistrano. They took up their camp on Fruit street just west of the Santa Fe tracks.

Their leader stated that of the ninety who rode from here to San Onofre Wednesday night, about fifteen are not accounted for. He does not know whether they were taken to jail or the hospital. A federal officer who was here today stated that the fifteen men mentioned are accounted for in a few held for deportation and others who were held at San Onofre for several hours after the others had been turned loose.

The I. W. W. leader stated that when the train stopped at San Onofre the men were driven into a corral by about 200 men. He says that some of the men escaped, among them being Joe Miller, who spoke on the streets here Wednesday night.

"They were looking for Miller," said the leader, "because he was run out of San Diego once before. Miller passed through Santa Ana yesterday on his way back to Los Angeles. We could not do anything. They were armed with rifles, revolvers and clubs. Some of the clubs were used, too, I can tell you. They told some of us to kiss the American flag. I would just as soon do it as not, had they happened to have asked me. One of our number said he would not kiss the flag, and they knocked him down and dragged him out."

"Some of us were taken to a tent and questioned, and they took our pictures. Yesterday morning they divided us up into five groups and started us toward the county line. There were men stationed along the road with clubs and whips, and they tried to give everyone a crack as we went by. There is not one of the bunch here that did not get hit. Most of the licks were on the body, not on the head."

"They followed this side of the county line. We shipped two of our number to a hospital in Los Angeles. We sent one to the hospital here from San Juan Capistrano. He was hit over the head as we were coming away, and I think it was this side of the county line."

"Some of the crowd here are from San Diego. A good many of those who were turned back from Onofre have caught trains into the city. I think that some of the men are going to hold a meeting on the street tonight. I am going to Los Angeles today."

The leader said that he did not know what steps would be taken next in the free speech fight, but he was certain that the setback at San Onofre would not end the fight, for there are 200,000 members of the I. W. W. and they are determined to win if it takes months. The San Diego officers and citizens are fully as determined as they.

CHARGES ARE FILED AGAINST THE POLICE

SAN DIEGO, April 5.—The hearing of the San Diego Federated Trades charges against Chief of Police Wilson and Chief of Detectives Myers were filed with the city clerk today. The officials are charged with gross incompetency and abuse of public office, and an immediate hearing is demanded. The charges are the result of officers driving industrial workers of the world from this city. The claim is made that several have been beaten and "crowded into filthy jails," when they sought to exercise the "rights of free speech."

The "California Outlook" For Half Price—\$1 A Year

BIGGEST EDUCATIONAL VALUE EVER OFFERED BY A CALIFORNIA NEWSPAPER—
SPLENDID OPPORTUNITY FOR PATRIOTIC
PUBLIC SERVICE

Deeply impressed with the educational value of the CALIFORNIA OUTLOOK, we have made arrangements with its publishers to offer it to our subscribers—or to anyone, whether a subscriber or not—AT HALF PRICE.

The regular subscription price of the CALIFORNIA OUTLOOK is two dollars (\$2) a year; our price to you is one dollar (\$1) a year.

The CALIFORNIA OUTLOOK is to this state what the New York Outlook (edited by Dh. Lyman Abbott and Theodore Roosevelt) is to the nation.

The CALIFORNIA OUTLOOK is the organ of Progressive Republicanism in California, but it is much more—it is a publication of tremendous power and wonderful educational and political value along all lines of social and economical reform and progress.

We are causing copies of the CALIFORNIA OUTLOOK to be sent this week to all Register subscribers, and we urge everybody who is not a subscriber to send or bring a dollar to this office to pay for a year's subscription.

The series of articles on "Government: The City, The State, The Nation," by Charles W. Willard of Los Angeles is alone well worth the price of subscription to any man or woman, boy or girl in the country. They are non-partisan and non-factional—purely educational. THEY ARE OF ESPECIAL VALUE TO "FIRST VOTERS," WHICH INCLUDES ALL WOMEN.

The editorials by Mr. Willard and Chester H. Rowell and A. J. Pillsbury are a crystallization of the most accurate information and the keenest and most independent analysis of public affairs that have ever been put into print in this state.

If you want to know the truth about public affairs, and have them accurately and intelligently, even brilliantly analyzed and commented upon, read the CALIFORNIA OUTLOOK.

This offer of the CALIFORNIA OUTLOOK at half price (\$1 a year) is for a limited time—it may be withdrawn at any time after a week or ten days—so we urge all to take advantage of it at once.

You can do no more patriotic or useful thing than to subscribe for the CALIFORNIA OUTLOOK and read it—and then pass it on to your neighbor to read. Better still—subscribe for yourself and get your neighbor to subscribe.

A year's reading of the CALIFORNIA OUTLOOK will be a liberal education in politics and public affairs for any person, no matter how well informed he or she may be.

Send or bring your subscriptions to the Register office and DO IT NOW.

Yours for public service,
THE REGISTER.

DIAZ OFFICIALS IN ZAPATA PLOT

Conspires With Zapata Against
Madero—Taft to Use Lodge
Probe as Warning

MEXICO CITY, April 5.—President Madero's supporters were panic stricken today on learning that a score of former prominent officials of the Diaz regime, were plotting with Zapata to overthrow Madero.

Among those accused are Alberto Granados, former secretary of the interior under Diaz, and Jorge Estanel, former minister of education.

Fifty rebels and federalists were killed and a hundred wounded today in a battle at Yutapec, near the capital. The fight was still progressing at noon.

LODGE RESOLUTION IS AN ADMINISTRATIVE MEASURE

WASHINGTON, April 5.—Senator Lodge's resolution calling on President Taft to furnish all available information in regard to the reports that Japan has an agreement with Mexico to establish a colony in Magdalena Bay, is an administrative measure designed to give the President an opportunity to word a diplomatic warning to Japan to keep out of America, according to general political belief.

President Taft's reply, it is said, will be read in a senate executive session, and its import intimated to the foreign attaches. Senators be-

lieve that the President plans to publish his reply later.

It is understood that President Taft proposes to say to his diplomatic ally that America will not permit a foreign nation to secure a strategic base in this hemisphere, re-affirming the country's determination to carry out the Monroe doctrine.

FLORETTA WHALEY HOMESICK

Girl Who Eloped With Parson Is
Longing for Her Old Long
Island Home

HEMPSTEAD, L. I., April 5.—Floretta Whaley, who eloped from Hempstead six years ago when 16 years of age, with the Rev. Jere K. Cooke, rector of St. George's Episcopal church, of which August Belmont is senior warden, returned to the home of her grandmother here Wednesday with the statement that she was homesick for old friends and relatives.

Cooke did not accompany her and she stayed but a short while, then returned to New York, where she joined the excommunicated clergyman.

CANCER IS INFECTIOUS

Dr. Rous of Rockefeller Institute
Revolutions Disease
Treatment

PHILADELPHIA, April 5.—After disputes and scientific discussions and countless expensive experiments which had failed to establish any conclusion on the point, Dr. Peyton Rous of the Rockefeller Institute yesterday presented to the American Society for Cancer Research, in session here, indisputable evidence that cancer, in at least one form, is the result of infection, thereby laying this dread disease open to a new means of combative approach, and probably altering decisively the entire plan of attack against the disease.

HAYNES SUCCEEDS MRS. FOLTZ ON STATE BOARD

SACRAMENTO, April 5.—Governor Johnson has appointed Dr. John R. Haynes of Los Angeles as a member of the state board of charities to succeed Clara Shortridge Foltz, Los Angeles, whose term has expired.

ESTIMATE IS 7 MILLIONS LOSS

Costly to Nation is Great Flood
That Stretches From Cairo
to Baton Rouge

DEATH ROLL PLACED AT FROM TEN TO TWENTY-FIVE

Cairo Now Thought Safe; Situation Desperate at Memphis; Deaths Reported

CARLO, Ill., April 5.—Wm. Lynch, wife and three children were drowned in the flood near Birds Point, Mo., according to reports here. The Lynch farmhouse in on an island and the family was drowned while trying to escape. J. S. Carey and Henry Baker, both farmers, were also drowned.

Excitement was great this morning following an in-rush of waters on Tenth street from a clogged drain, causing a report that a levee had burst. The city officials issued a statement today that in their opinion the worst of the flood was passed.

MEMPHIS, Tenn., April 5.—Conservative estimates place the flood damage up to date at seven million dollars. The affected territory extends in the Mississippi valley from Cairo to Baton Rouge. Deaths are variously estimated at from ten to twenty-five. The river is still rising, although more favorable reports were received here from Cairo in the last three hours.

MEMPHIS, April 5.—With levees weakening under the pressure of a forty-four foot flood stage, Memphis today faces a serious situation. The river rose a foot above yesterday's mark. It is feared that the St. Francis and other levees will burst. Gangs are working furiously.

Thousands are fleeing from the city. Seven thousand is the estimate of homeless people here and in the surrounding district. All residents are instructed to boil water before drinking for fear of an epidemic from sewers burst by the back water of the flood.

Hickman Conditions Worst

HICKMAN, Ky., April 5.—Flood conditions are more serious here. Refugees without money or food continue to arrive.

Natchez Faces Flood Danger

NATCHEZ, Miss., April 5.—Natchez is facing a flood situation. The river is expected to reach fifty-five feet today. Steamers are unable to accommodate the host of farmers who are imploring them to remove their livestock from danger.

CHINA PLANS TO BE PROGRESSIVE

Will Control Railroads and
Mines—Single Tax is
to Prevail

LONDON, April 5.—The Daily Telegraph prints a remarkable interview with Dr. Sun Yat Sen, the retiring provisional president of the Chinese republic, in Shanghai, in which Dr. Sun outlines the future policy of the new empire.

"I am an ardent follower of Henry George," says Dr. Sun, "whose ideas are practicable on the virgin soil of China, as compared with their impracticability in Europe or the United States, where the money is controlled by capitalists."

The Telegraph quotes Dr. Sun as saying that he has the full consent of the government to start his propaganda immediately, whereby the railroads, mines and similar industries will be controlled by the government. Free trade will be adopted as far as possible, and the single tax system will prevail.

RIOTING STRIKERS AT GARFIELD, N. J.

Strike Leader Defies Orders of
Sheriff—Arrested—Rescue
Tried—Police Fired

PASSAIC, N. J., April 5.—Serious rioting among the striking textile workers at Garfield, across the river, occurred today. Chapuett Rothman, the industrial organizer, was arrested for defying Sheriff Conkna's orders. His rescue was attempted. The sheriff's deputies fired a volley and also used their clubs. No injuries are reported.

OUTLET NORTH IN TWO YEARS

P. E. in Negotiations With Orange Makes an Important Guarantee

Mass Meeting to be Held Next Week to Consider Naming Committees

Orange News: Committees representing the Chamber of Commerce, Merchants' and Manufacturers' Association, and city board, with several other business men, met last evening to consider right-of-way proposals made by the Pacific Electric railroad. The outcome of the conference was a determination to call a public meeting at an early date and proceed thereafter to secure the right-of-way asked by the railroad, which in turn promises to build from Santa Ana as soon as the right-of-way is provided.

The Pacific Electric submitted two proposals for the location of its tracks on the streets of Orange. It asks a private right-of-way along the north side of the Santiago creek

from Main street, and then will come up either Lemon or Glassell streets through town. In addition, it guarantees an outlet north within two years.

The committee considered both the Lemon and Glassell street routes. The former requires that the railroad be provided with a right of way north from the end of Lemon street to the city limits. It was the general opinion of the conference that the Glassell street route would be far the more desirable, since it would

Join the Santa Ana Roosevelt Club

Every man and every woman in Orange County, who is eligible to register, and who desires the nomination of Theodore Roosevelt for President is urged to fill out the following blank and mail it to THE REGISTER, SANTA ANA, CALIF.

AMUSEMENTS

De Leon's New Show to be Seen Here

Walter De Leon, the noted author and composer of "The Campus" is soon to be seen at the Grand Opera House in his latest musical comedy success "The Girl and The Boy," which Ferris Hartman and his superb company will present with the entire original cast and chorus. Mr. De Leon is a young man whose work so far in the musical comedy field stamps him as a genius of the first water. In his second piece Mr. De Leon has shown the result of his experience and study since "The Campus" was produced as the music of "The Girl and The Boy" is of a much higher type than "The Campus" and while the lilting melodies which made the former show such a success, are present in "The Girl and The Boy" still it also contains much material of a higher musical work. Notably is this the case in the ending of the first act and the opening of the second act, which is composed of two concerted numbers that are worthy of the best type of comic opera. In addition to its musical value, "The Girl and The Boy" has a wealth of pure comedy that is absolutely irresistible.

Musical Attraction Coming
The Y. M. C. A. has completed arrangements for bringing to Santa Ana, the noted Schubert Symphony Club and Lady Quartet of Chicago, and a concert will be given in the Grand Opera House Monday evening, April 15. Tickets will be on sale at Rowley's Drug Store on Tuesday, April 9, at the prices of 35c, 50c and 75c.

The company includes Anna Pearl Weatherington, the charming monologist, and Thomas Valentine Purcell, the noted American violinist. Ten years ago he began the study of the mandolin as a rest to his violin practice, and is today rated amongst the very best mandolinists. Accompanying the Lady Quartet and Thomas Purcell on the mandolin, is E. H. Purcell on the cello.

CLOSING DAYS OF MEETINGS

The meetings at the First Christian church are drawing to a close. The results of the meeting have been very wholesome. Nothing on the sensational order has been indulged in, yet there has been a quiet and subdued spirit pervading the entire services. There have been thirty-six responses to the call to live a Christian life.

Tomorrow afternoon Mr. Lowe will speak to the children under the age of sixteen. Older ones, of course, will be welcome. Lord's day afternoon he will speak to men only, upon the subject, "Three Degrees in the Grand Lodge of Manhood." Every man in Santa Ana should hear this address. The orchestra will open this service with a sacred concert beginning at 2:30. The topic for this evening is, "A Successful Seeker."

Saving the "National Digestion"

COTTOLENE
CONTAINS NO HOG FAT
USE 1/3 LESS

The American people are waking up to the fact that hog lard is often indigestible, and sometimes unhealthy.

Cottolene, a pure, vegetable product, is fast replacing hog lard for frying and shortening. It makes better, more healthful food — and is more economical. Cottolene is economical because it goes one-third farther than butter or lard.

Cottolene is packed in air-tight tins, never sold in bulk, and its purity and freshness are guaranteed.

Charge to all who call before April 10

There are thousands of weak, broken-down men and women drag-
ing on from day to day who might be as strong and vigorous as ever
they were if they would only turn to the right source. Our system of
treatment cures without drugs. It gives you back the very element you
have lost. It puts new life into the veins and renews the vigor of youth.

Every person suffering from Rheumatism, Neuralgia,
Bladder and Prostate Trouble, Burning or Smarting
Pains, Irritation, Unnatural Discharges, Stricture, Ob-
structions, Frequent or Painful Urination, Pain in Back,
Nervous Debility, Loss of Memory, Ambition and
Strength, Varicocele, Hydrocele, Piles, Fistula, Cancers.

Our treatment is applied directly to the weak and affected parts.
It is mild, soothing, healing, and has immediate effect. Some cases are
cured with one or two treatments—there is no shock, no pain. A cure
from this treatment is guaranteed to be permanent.

Consultation, Examination and Advice Free and Invited. Call.

The Diamond Suction Cleaner

We have just received another shipment of the
Diamond Suction Cleaners. This is an electric cleaner
within reach of all in price, which gets the dirt, is easy
to handle and simple to operate. It is made of alumi-
num, has a guaranteed General Electric motor and
costs but one-third more to run than an ordinary 16
candle-power lamp. Suction cleaning is the modern,
sanitary, easy way of sweeping. Try a "Diamond,"
price \$28.50. Sent to your house on trial.

WINDING UP ON NAVELS

Local Houses Were Delayed
by Late Rains—Valencia
Outlook is Good

This week will see the ending of the
navel orange season with many of
the packinghouses in this section.
The independent houses are now send-
ing out the last of their crop, and do
not expect to pack anything after
this week. The association houses, it
is said, still have a considerable
amount of navel on hand, and will
be shipping more or less for a week
or so yet.

As reported by local shippers, mar-
ket conditions are very satisfactory.
The oranges being sent out now are
mostly of very ordinary grade, very
little fine fruit being left, but con-
sidering the quality prices have been
held up well. It is said that a good
deal of slightly damaged fruit has
been thrown on the market, and this
has had a depressing effect on prices.
The season is holding on longer than
usual this year, shipments having
been delayed by the late rains. The
independents usually try to get their
navels cleaned up by the middle of
March, whereas this year the season
runs well into April. The cold weather
of this spring has necessitated
much less icing than usual, however.
A car sent out today by Gowen and
Willard was the first iced by the lo-
cal independents, whereas last year
icing began early in March. The as-
sociation houses have been icing for
about a week past.

Valencia Outlook Good

WEST END GARAGE

421-423 West Fourth St.

crop is said to be excellent. Much of
the fruit is of small size, but the
trees are well filled and there is
some very fine fruit in this section.
The frosts of the early part of the
year did some damage, but with the
valencias, as with the navels, this
part of the country escaped much bet-
ter than the inland sections. In the
territory to the east of Santa Ana,
it is stated, there was practically no
damage whatever, and the fruit there
shows up very fine.

Valencia shippers will not be in a
hurry to get their fruit on the market,
except in cases where the trees are
so loaded as to need relief. The late-
ness of the navel season and the or-
dinary quality of the fruit will not
make the early market outlook prom-
ising, and while shipments will prob-
ably begin early next month it is not
expected that a great amount of fruit
will be sent out before June. Last
year Valencia shipments began in
March.

Orange men report that the navel
orchards, which are now just bloss-
oming, give promise of a good crop
for next season, unless severe frost
should interfere. The outlook for the
next Valencia crop is also good in
this section. In sections where the
frost damage was heaviest, it is said,
the effects will be felt on next year's
crop, a fact which will work to the
advantage of those growers who were
outside the belt of damage.

Y.M.C.A. BANQUET ON TUESDAY EVENING

Only Members Will be Present
—Good Entertainment Has
Been Arranged

Don't forget the Y. M. C. A. charter
members banquet Tuesday evening at
6:15 in the basement of the South
Methodist church.

An entertainment has been ar-
ranged for that evening and a good
time is assured to every one attend-
ing.

Only charter members will be al-
lowed to be present and everyone
should procure tickets before Monday
evening for the sale of them will stop.
If you haven't a ticket, see Loren
Mead at the Wardrobe, 117 East
Fourth street, or Harold Henshaw, at
this office, and get them before
Monday evening. Tickets are 50c and
for members only.

HAIR HEALTH

If You Have Scalp or Hair
Trouble, Accept This
Offer

—When we promise your money
back for the mere asking if Rexall
"93" Hair Tonic does not do as we
claim it will, you certainly have no
reason for even hesitating to try it.
We do not ask you to obligate your-
self in any way.

We could not afford to so strongly
endorse Rexall "93" Hair Tonic and
continue to sell it as we do, if it did
not do all we claim. Should our en-
thusiasm carry us away, and Rexall
"93" Hair Tonic not give entire sat-
isfaction to the users, they would
lose faith in us and our statements,
and in consequence our business
prestige would suffer.

Therefore, when we assure you
that Rexall "93" Hair Tonic will
promptly eradicate dandruff, stimu-
late hair growth and prevent pre-
mature baldness, you may rest as-
sured we know what we are talking
about.

We honestly believe that Rexall
"93" Hair Tonic will do more than
any other human agency toward re-
storing hair growth and hair health.
It is not greasy and will not gum
the scalp or hair or cause permanent
stain. It is as pleasant to use as
pure cold water. It comes in two
sizes, prices 50 cents and \$1.00. Re-
member, you can obtain it only at
our store—The Rexall Store. Wheel-
er & Mateer, 104 West Fourth St.

SHOULD HAVE NEW OFFICES

Orange Post: The Santa Ana Val-
ley Irrigation Co. has outgrown its of-
fice room. There is a jam in the of-
fice every time a meeting is held and
still the attendance is very small when
one stops to consider that there are
2100 stockholders. It seems that a
corporation that is worth over a mil-
lion dollars is not doing the ranchers
justice so long as it occupies such
shabby and cramped headquarters. The
stranger, a prospective buyer of a
ranch home, is told that we have the
best water system in the state, and
that it is worth over a million dollars.
He naturally wants to see the office
where such a volume of business is
carried on. He is used to seeing fine
offices in the east occupied by cor-
porations worth less than a million
and expects to see something nice.
When he visits the water office, a
doubt enters his mind. He thinks the
rancher gave him a lot of stuff—in
other words exaggerated or lied—or
that the valley is composed of a lot of
"tight wads."

The company owns the lot on which
the office now stands, is able to erect
a nice roomy office building with a
basement, and the directors need only
a little urging on the part of the stock-
holders to get them started toward a
nice office. There is nothing that will
win the confidence of a prospective
buyer like substantial evidence of
prosperity. Talk with the directors
about a new office.

HUMAN RIGHTS SUPREME

Governor Johnson aptly expressed it in a speech in Los Angeles, when he said, "The dominant American issue of today is whether this is in fact to be a government controlled by the people for their interest, or by the 'interests' for their people. The cause of progress asserts the right of the people to rule; the cause of reaction asserts a right to rule the people."

"Roosevelt declares for conservation, for equal opportunity; that every dollar received shall represent a dollar of service rendered. He stands for the rights of man. Wealth, he declares, is subject to the general right of the community to regulate its business use, as public welfare demands. He stands for the right of the nation and the state to regulate hours and conditions of labor. He announces himself for the short ballot. He says he favors direct nominations and direct primaries; that he favors election of United States senators by the people directly; that he is for the initiative and referendum and his own peculiar qualified recall. He stands for the ability and the right of the people to govern themselves, saying—what was treason and radicalism only two years ago, but today is conservatism—that even judges are servants of the people."

These are policies and principles which meet with popular approval everywhere, and only through the disenfranchisement of the people by the politicians can they fail to prevail. But when we read of the outrageous political methods employed by the Taft machine in Indiana, New York and elsewhere we must pause and ask ourselves if the people are to be tricked out of their most sacred right of citizenship? In this view the issue becomes something much bigger and broader and deeper and more fundamental than the tariff or the initiative or the referendum or the recall. It is a question of Human Rights.

The people realize this, and wherever they are given an opportunity to register their verdict it is for Human Rights. While reactionary newspapers are chortling over successful frauds perpetrated by unscrupulous bosses in New York and Indiana, it is significant to note that only progressive publications print anything about the poll of voters of Missouri and Kansas now being taken by the Kansas City Star. At the last tabulation the total had reached 166,987, and Roosevelt's vote was 85,778, more than 50 per cent. Three other Republican candidates figure in the running, but their combined vote is about 22,000, little more than a fourth of the Roosevelt total. La Follette is second with 9706, and President Taft, with no machine followers in charge of the count,

gets all that is coming to him—and no more—and is third with 9609. Cummins of Iowa tails the Republican list with 1223. Of the leading Democrats, Clark has 16,865, Bryan 16,823 and Wilson 8947. Compare those figures with Roosevelt's 85,778 and then decide who is the people's choice for president.

And that well known publication, Farm and Fireside, has just announced the result of a nation-wide poll of its subscribers. Of 36,602 votes cast for all candidates, Republican, Democratic, Socialist, Prohibition, etc., Roosevelt received 16,903, almost half of the total. It was shown that Roosevelt leads every other candidate in every section of the country. In the "Solid South," for instance, Roosevelt got 1963 votes, Taft 683, Bryan 988, Clark 374, Harmon 377, Wilson 825.

IS BASEBALL A TRUST?

Congressman Gallagher of Illinois has introduced into the House a resolution authorizing an inquiry into the management and methods of the great baseball leagues with a view to ascertaining whether they are combines operated in restraint of trade and therefore are in violation of the Sherman law.

There is one thing certain: The congressman will have difficulty proving his case. He will incur many difficulties. It will be necessary for him to summon the players and that will so disturb the national game in the coming season that great popular clamor will go up from the people. They will not stand for it.

This is a very inopportune time and congress might as well talk of interfering with the coming of spring as to hinder the progress of the national sport. Someone has suggested that the investigators might follow the teams from city to city and at odd time converse with the players; but the objection that will at once arise is that they might talk baseball rather than the restraint of trade.

This is a peculiar fact, relative to the vote taken in the United States, whereby the reactionaries saved the "bacon" of Senator Stephenson of Wisconsin—who spent \$100,000 to secure his seat. Of those who voted to whitewash Stephenson, all but one were Taft supporters. Of those who voted against Stephenson, all were opposed to Taft.

VIGOROUS CAMPAIGNING IN BEHALF OF COL. ROOSEVELT

SAN FRANCISCO, April 5.—The return of Francis J. Heney from the east, signals the beginning of a vigorous and aggressive stump campaign in behalf of Roosevelt in California. Heney went into conference, immediately on his arrival at Sacramento, with Governor Johnson and Chester H. Rowell, and a definite course was considered. After further conference in this city with President Stetson and the campaign committee of the Roosevelt League, the decks will be cleared for action.

The misrepresentations of Col. Houser, in co-operation with the standard press, are to be fully and completely answered. The heedlessness also of La Follette supporters in jeopardizing the Progressive cause is to

receive ample attention by the speakers.

Heney, Johnson and Rowell are going into the speaking campaign with all their well-known vigor. The booming will be commenced at the Saturday night rally in this city.

Gen. E. A. Forbes reported at the State Roosevelt headquarters today that a poll taken of 37 farmers at a meeting in Yuba county showed 35 for Roosevelt and 2 for Taft. "The country is particularly strong for Roosevelt in the Sacramento valley," said Forbes. "It is only in the cities where Taft can make any sort of showing. The mountain region of northern California is all strong for Roosevelt."

A strong Roosevelt club has been formed at Oroville and another at Chico. A club has also been formed at Ceres in the San Joaquin Valley.

Our Washington Letter

WASHINGTON, D. C., April 5.—Chosen by their people to be colleagues as United States Senators from Louisiana are two members of the present House who during an unusual length of service in that body have been particularly distinguished by their active interest in national waterway improvement. The first to enter the Senate will be Representative Joseph E. Ransdell, whose name is familiar throughout the United States as president of the National Rivers and Harbors Congress, who will succeed Senator Murphy J. Foster on March 4, 1913. Next to enter that body will be Robert F. Brunsard, now serving his eighth term as representative from the Third district, who will succeed John R. Thornton March 4, 1915.

While Mr. Ransdell, as chief executive officer of the national waterway improvement organization, has given much of his time to the affairs of that association in its nation-wide aspects, Mr. Brunsard, like all Louisianians who have served in Congress, has been very much alive to the incalculable value of waterway transportation. Mr. Brunsard has a distinction of his own as a friend of waterway transportation. Perhaps no member of Congress has demonstrated a more progressive interest in the canal enterprise than he. He made a speech several years ago in the House in which he took the bold ground that this was very much an "age of canals."

"I am still of that mind," he said today. "The object lesson of the importance of canalization has been right under my eyes all my life. My district reaches from the Father of Waters to the Gulf of Mexico, southward. Immensely important as is the improvement of the Mississippi and its tributaries, scarcely less important is the canalizing that ought to link the great river with the other streams that flow into the gulf. We in our region have long contended for an intercoastal canal system, and we are beginning to see our efforts rewarded. The river and harbor carries an appropriation which will mean the completion of the coastal canal in Louisiana and much of southwestern Texas, moving on toward the completion of the project toward Brownsville, Texas, as the objective point on the Rio Grande."

"Not very many of our people favorable to river and harbor improvement properly appreciate the commercial importance of the intercoastal canal enterprise. Deepening the channels of rivers and maintaining the improvement is itself but a form of canalization, often enormously expensive, and it should be borne in mind that frequently another heavy item of expense in the maintenance of river navigation is to keep the mouths of rivers unobstructed by bars formed by inevitable deposits of silt from time to time. There are in the

Mississippi and her tributaries and in the rivers which flow into the gulf 13,600 miles of navigable inland water, whose utility is often hampered by bars formed at the mouths of the streams. The gulf coast canal system, especially in our region, is to render accessible to easy, safe and economical transportation a large area of productive country. There within reach of canal transportation is one-half the sugar production of the United States, nine-tenths of the rice, all the sulphur, nearly all the salt, and immense forest product in pine, cypress and hardwood, with farm lands already under flourishing cultivation and many thousands of acres of lands awaiting reclamation by drainage which are of unequalled fertility. This canal can be constructed cheaper than any other canal system in the world. We shall see here the development of swift, light-draft vessels, numerous and reliable, undisturbed by the elements that dispense perils on river and sea. Without the canal a vast part of this wealth-producing area would be at the mercy of railway rates for all overland transportation. With it, the railroads could do no business unless they co-operate in the development of the country in their traffic with the gulf terminals.

"In every part of this country and every part of every other country, where commerce has made most progress and reached the most enduring stability, it has been through the canal. Our intercoastal canal would not only immediately demonstrate its extraordinary commercial value, but it would more than repay the nation for its comparatively slight cost in its palpable strategic

importance, for, in time of war it would be invaluable for coast defense and provide safe harbors for the preparation for offensive operations off the seaboard. All the muniments of war—troops, provisions, ammunition, armament, artillery, light-draft war craft, gunboats, torpedo boats and torpedo destroyers, could traverse the canal unexposed to storms or foreign foes.

"I am going to keep striving for the intercoastal canal system as long as I am in public life, a system that will embody our coast line and link with short cuts coastwise navigation from Maine to the Rio Grande."

"I venture to say as our project affects us locally and in its relative broader aspects there is no single public work ever undertaken by the federal government that will yield a larger return from the investment. In my efforts in this direction I have had the earnest aid and sympathy of my colleagues, Messrs. Ransdell and Pujo and Burgess, Garner, Dies and Gregg of Texas."

FRECKLES

Don't Hide Them With a Veil; Remove Them With the New Drug

An eminent skin specialist recently discovered a new drug, othine—double strength, which is so uniformly successful in removing freckles and giving a clear, beautiful complexion that it is sold by Wheeler & Mateer under an absolute guarantee to refund the money if it fails. Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first night's use will show a wonderful improvement, some of the lighter freckles vanishing entirely. It is absolutely harmless, and cannot injure the most tender skin.

Be sure to ask Wheeler & Mateer for the double strength othine; it is this that is sold on the money back guarantee.

CANTATA TONIGHT

Stainer's "Crucifixion" to be Given by Splendid Chorus at First Baptist Church

At the First Baptist church this evening at 8 o'clock Stainer's beautiful sacred cantata, "The Crucifixion," will be given as a fitting service in commemoration of the death of the Saviour.

The work is a splendid meditation on the Passion of Jesus and one of Stainer's greatest compositions.

There are to be a number of prominent soloists engaged in the cantata, as well as a well-trained chorus of thirty voices, as follows: Soprano—Mrs. H. H. Reeves, Mrs. M. Phillips, Misses Blanche Miller, Iva Pratt, Elizabeth Hagston, Carol Van Cleave, Gladys Harrison, Helen Austin and Gladys Lynde; Alto—Misses M. Y. Havens, Josephine Alexander, Cecelia Graham, Mrs. W. F. Harris, Mrs. D. E. Huff and Miss Emily West. Tenors—W. A. Benjamin, I. W. Van Cleave, Elmer B. Burns, Merle Ramsey, Chas. Deaver, Geo. H. Owens and David Todd. Basses—Maurice Phillips, Lou P. Hickox, Verne Williamson, C. S. Williams, Lloyd Sharp, Elmer S. Thompson and C. Percival Garratt. The doors of the church will be open at 7:30, and a cordial invitation is extended to all who are interested to be present.

West End Thimble Club

A quarter of a hundred ladies of the West End Thimble Club assembled at the home of Mrs. W. W. Henry, 300 West Santa Clara avenue yesterday afternoon, to enjoy one of the pleasantest meetings of this club. Mrs. Henry was assisted in entertaining by Mrs. D. L. Mitchell, Hanna street, and both ladies devoted themselves to the congenial task of making the afternoon a happy one.

The guests had taken with them their sewing, so the name of the club implies that they should do, and over the shining needles that were busily plied, they spent the time visiting. A two course repast was served by the hostesses, assisted by Misses Elsie Clark, Katherine Smiley and Eugenia Henry, three charming girls. The refreshments were delicious. A contribution from one of the guests was a beautiful coffee made from the powdered coffee now being advertised by one of the leading groceries of the city. The result was praised, the ladies agreeing that it was especially fine for picnic occasions.

The Henry home was decorated for the afternoon with bouquets or fragrant cut carnations.

The next meeting of this club will be held with Mrs. Gloucom on Hannah street in two weeks from yesterday.

The Conservatory will be closed all next week for the spring vacation. Now is the time to be planning a course of musical study before summer comes with its vacation distractions. Better call at the Conservatory today, April 15th to arrange for school hours.

EASTER LUNCHEON

Flowers and Emblems Bedecked Home Where Mrs. Bishop Entertained Friends

Yellow jonquils and ferns in baskets and jardinières adorned the reception hall of the J. W. Bishop home yesterday as the ladies bidden to the lovely Easter luncheon given by Mrs. Bishop, entered its spacious confines. The living room was fairly ablaze with exquisite pink Cherokee roses, the delicate tint of the perfect flowers being a delight to the vision. Bridal wreath still further enhanced the beauty of the decorations in this room.

The seven-course luncheon was served at one o'clock, the table decorations being of pink carnations, long stemmed and fragrant, used artistically with sprays of maidenhair ferns. Miniature confectionery boxes, around which peeped cunning bunnies guarding tiny "rabbit" eggs, were Easter emblems employed in decorating the table to lend it Easter significance. Each of the sixteen covers were marked by an envelope, pink-ribboned and containing Easter greetings and a jingle of which Mrs. Bishop was the author. Each jingle was descriptive of some other than the guest at whose place it was, and after being read was passed on to the owner.

The afternoon was spent in a merry word-making contest from the word "conservation." Mrs. J. J. Roper winning the highest score and the first prize, a beautiful Santa Ana souvenir spoon. Mrs. H. C. Dawes had the next largest list of words and was rewarded with a pretty "tea ball," while Mrs. J. R. Medlock was consoled for having the smallest number of words, with a handsome china cup and saucer.

Mrs. Bishop's guests were Mesdames L. J. Varden, H. C. Dawes, C. S. Kendall, J. R. Medlock, E. B. Burns, Laura Cole, M. Phillips, W. M. Smart, L. A. Collier, J. J. Roper, W. E. Winslow, J. P. Baumgartner, T. E. Winbiger, Fred Case, Miss Stella Preble.

D. of V.'s Meet Next Week

The meeting of the Daughters of Veterans, which was incorrectly announced for tonight, will be held Friday, April 12, in the G. A. R. Hall.

Choir Rehearsal

There will be a special choir rehearsal at the Episcopal church after the service this evening. All available members of the choir are urged to be present as this will be the last chance to rehearse the Easter music.

Entertained Last Evening

Mr. and Mrs. A. C. Lantz entertained a few of their friends last evening at a dining-room party. All the guests said they were royally entertained. Mr. and Mrs. Lantz expect to move next week to the house on North Main street which until recently was occupied by the Wilcox family.

Pro Bono Social Put Off

The Pro Bono social, to have been given tonight, has been postponed until Friday, April 12, when it will be held at the home of Mr. and Mrs. A. G. Finley, 620 East Fifth street. All are invited to be present and have a good time.

New Section Formed

Household Economics section Number Five was organized yesterday afternoon at the home of Miss Cubbin, on North Main street. It was

Clothes for Easter!

We invite you to Come

If for no Other Reason than to LOOK at what

we have for Easter. We like to show it. It's the greatest stock of high-grade clothes for men and young men in this county.

We control for Santa Ana the three strongest lines in America:

Hirsh-Wickwire of Chicago
All hand-tailored clothes for particular men,
\$20, \$25, \$30.

Society Brand of Chicago
The finest distinctly young men's clothes produced,
\$20, \$25, \$30.

Clothcraft, of Cleveland
The only guaranteed all-wool line at
\$15, \$18, \$20.

Copyright 1912, Alfred Dicker & Coles

Vandermast & Son

organized with a membership of twenty-seven, which will be the limit of membership. Mrs. F. H. McElree was chosen as president and the next meeting of the section will be at their residence, 606 Ross street. The regular meetings were set for the second Friday in each month.

Spiritualist Society

The first Spiritualist Society services at 7:45 p. m., K. P. Hall, 306 East Fourth street. Subject: "What is Spiritualism?"

IRENE SMITH, Pastor.

W. R. C. Meeting

The usual business meeting of the W. R. C. was held yesterday afternoon, with a good attendance, and good reports, including that of fifty-one sick visits made.

Mrs. Jennie Wilson and Mrs. Rose Barton were admitted by transfer from Minnesota W. R. C. The penny march took place and all members were much interested in fattening a "new little piggie" as our "big pig" has retired, fat enough.

Several W. R. C. ladies will attend the convention at Stockton, among them, Mrs. Emma Wilson and Mrs. E. J. also Mrs. Rolfe, from Garden Grove.

On Friday, April 12, usual tea and program will be held at G. A. R. hall. All are invited.

Redlands House Party

Misses Gertrude Utt, Louise Crane, Hazel Glenn, Olive Matthews, Ray McKean, Nora and Lottie Norris, have gone to Redlands to be over Saturday and Sunday guests at a house party of which Misses Margaret Lacy and Frances Emans are hostesses.

Easter Social

Mrs. L. P. Hickox, teacher of the young married people's class of the First Baptist church was hostess Wednesday night at an Easter social for the class at her home. There were 36 present. Easter games and Easter refreshments were served. Mesdames R. E. Elliott, Norton and Alva Ritter were the entertainment committee.

Rubber!

—Rubber is put into use perhaps for more commonly used articles than any other substance. Now take for instance the rubber neck, you can see them by the hundreds on the streets, especially if one of the late 1911 models Imperial Autos pass by. That gentleman's roadster of brewer green body, black fenders and hood, the 30 gal. gasoline tank, leather trunk, silk mohair top, Baker demountable rims and no rim cut Good-year tires with extra rim tire inner tube, case, tire iron, tool kit, speedometer, presto tank, etc., at \$1500 f. o. b. Santa Ana, is enough to make anybody rubber. See H. P. Thelander, Second and Bush Sts., Guarantee Garage. Four models of cars, also some second hand ones.

—Dainty Easter baskets filled with candy eggs, for the children, at the Dragon.

Fine Watch Repairing

Our repair department is the most important part of our business. We employ two expert watchmakers and have the latest, modern tools for facilitating our work.

We have the only electric power watch lathe in the city. All work guaranteed.

Carl G. Strock
119 East Fourth St.

CONGRESS CANDIDATE MEETING THE VOTERS OF ORANGE COUNTY

Hon. S. C. Evans, former mayor of Riverside and now a candidate for the Republican congressional nomination, is spending a few days in Orange County interviewing the voters.

Mr. Evans says he expects to make a personal campaign—that is, he expects to meet personally as many of the voters as possible, and will hold meetings in all the towns and villages of the district.

He will be his own campaign manager and not place himself under obligations to any faction. Mr. Evans says he has endorsed and worked for the progressive principles for which Roosevelt and Johnson stand for the past sixteen years, and will make his campaign on that platform. He feels confident that he will be able to convince the voters everywhere that he is a true Progressive.

Brotherhood Dance

Tonight the Fraternal Brotherhood will give their regular monthly dance at their hall on West Fourth street. A good time is sure to result if you attend. The Perliuss orchestra will furnish music.

Personals

Miss Mary Cotter returned yesterday evening from a brief visit to Los Angeles, where she accompanied her recent house guest, Mrs. Crape, of San Diego.

Mrs. H. G. Hull and two daughters, Dorothy and Helen, left this morning for Bakersfield for a ten days' visit with Mr. Hull during Easter vacation.

Mr. and Mrs. Ira Thompson of Brooklyn, Iowa, and Mr. and Mrs. B. M. Talbot of Los Angeles, spent yesterday with Miss Mary L. Talbot and E. B. Smith's.

Miss Shirley Thomas returned to Los Angeles this morning after a short stay with Santa Ana friends.

Coroner Winbiger was a passenger on an early car this morning.

Malcolm Tedford today attended the State Y. M. C. A. Convention which is being held at Pasadena.

John Swanner had business in Los Angeles this forenoon.

Mrs. J. R. Medlock and Miss Velda Medlock spent today in Los Angeles.

A. V. Merigold caught an early Los Angeles bound car this morning.

Miss Marie Harris today went to Los Angeles where she will probably spend a week or ten days visiting friends.

W. W. Halesworth was a business visitor to the Angel City today.

W. H. Van Hoy and family, of North Centralia, have come to make their home in Southern California, and are now visiting D. F. Pinnix on East Santa Clara avenue.

E. W. Boynton and daughter are in Santa Ana from Coalinga on a visit. Mr. Boynton is shaking hands with friends. He states that Orange county looks good when compared with the barren country where he now lives.

Mrs. Lea Warren today received a message that her brother, J. W. Wilson, of Oklahoma City, died on April 1. He was state manager of the Pioneer Telephone Company.

STOPS SCALP ITCH

It is simply wonderful how Zemo goes after dandruff. You rub a little of it in with tips of fingers. No, it isn't sticky! Zemo is a fine, clear, vanishing liquid. You don't have to even wash your hands after using Zemo. And what a wonder it is for eczema, rash, pimples and all skin afflictions. A 25-cent trial bottle at Wheeler and Mateer's Drug Store, is guaranteed to stop any skin irritation.

300 MEN ON STRIKE IN NORTHERN LUMBER MILLS

TACOMA, Wash., April 5.—Three hundred men are on strike in the lumber mills, according to union leaders. William D. Haywood is enroute to direct the campaign. One hundred and fifty men at the St. Paul mill, including Japanese and Greeks, quit this morning. One girl stenographer joined the strikers.

CASCARETS FOR A SICK, SOUR STOMACH

Gently But Thoroughly Cleanse and Regulate Your Stomach, Liver and Bowels While You Sleep.

—That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach; the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means indigestion; a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they cure indigestion, because they immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels. Then your stomach trouble is ended forever. A Cascarets tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

PLAN FLIGHT OVER PEKIN WITH FLYING MACHINES

SAN FRANCISCO, April 5.—Carrying with them three modern flying machines, Mr. and Mrs. W. B. Atwater of New York are planning an exciting finale to a six-months' honeymoon in a proposed flight over Peking and the Forbidden City. They leave here for the Orient Wednesday.

They have planned also a flight to the Philippines, and possibly to Australia, which they may visit before returning to their home in New York.

Mrs. Atwater formerly was the widow of Senator Thomas C. Platt of New York.

THE CITY ELECTION IN ORANGE

A MASS MEETING FOR INSTRUCTING VOTERS

Meeting for the instruction of voters will be held at Athletic Hall, 7:30 Saturday evening, April 6. All necessary explanations and instructions how to mark the ballot to have it counted will be given. All are welcome, but women voters especially invited.

OUR CANDIDATES' ANNOUNCEMENT

To the Voters of the City of Orange:

We, the undersigned candidates for trustees of Orange, were urged to accept the nomination as your trustees. We did not seek or want the position. We say YOUR trustees, for the reason that if we are elected we will use our best endeavors to serve all the people of the city without regard to party or clique. We will undertake to ascertain the needs of the people and to carry out the wishes of our constituents so far as is consistent with good business management. We believe in keeping the city of Orange abreast of the times, and up to date as a growing, modern city. We would consider it our duty to complete a sewer system, extend our lighting system, oil roads, water system, and to use our best efforts to secure the Pacific Electric road for Orange; and there are countless many other important matters which will come before the trustees from time to time, all of which would receive our best attention.

We would aim to adopt progressive measures gradually so as to avoid excessive taxes at any time and do and perform the duties of trustees to the best of our ability if the people of Orange desire and elect us on April 8th.

Very respectfully,
ELWOOD COATE,
C. C. STONER,
W. H. CLAYTON,
W. H. WRIGHT.

To Orange Voters

We desire to call your attention to the fact that a committee representing the Reform Ticket has given facts and figures which prove conclusively that on sewers alone under the present board management, the loss to Orange, when the sewer plan

is completed, will have been \$40,000. Neither the board nor any of its supporters have as yet taken steps to refute the charge; nor has any good reason been given why our sewers are so deep; no valid reason given why the Chamber of Commerce plan should have been neglected and the present expensive plan adopted. It seems to us that the excuse given, that the Chamber of Commerce plan would not drain the northwest corner of the city is a very poor excuse, as one-tenth the amount wasted on the present plan would have put in a "cut off" extending from the northwest corner, running southwest to connect with the main sewer. No, gentlemen, it is gross mismanagement. The better and more economical way was before you and you neglected it. There are poor men and women in Orange who are trying to do their part in keeping pace with needed public improvements—men and women who work for every penny they have—who have paid, or will have to pay, on the sewer and one connection for a 50-foot lot, just \$22 more than they need to have paid.

Every member of this committee believes in progressive public improvements. We are perfectly willing to give the present board credit for whatever they have done in an economical way. But we do not see that the board is entitled to any special credit for oiling our streets, extending street lights, improving the water system, etc. The people demanded these improvements and are paying for them. Our local papers would all shed tears of thanks to the board for these improvements, which any board would grant, as though the board members paid the bills personally. Have these matters been handled as carelessly as have sewers? We do not know as yet. The manner in which the sewers have been handled is a sufficient reason why at least the older members of the board should step down and out. We have some business men of mature experience on the Reform Ticket, whom we believe will guard more carefully our interests. It is not necessary to have four of our five trustees from the ranks of the "M. and M."

Why Is This Thus?

Editor Orange News: Citizens of Orange agree that the approaching city election is of much importance to us all; and as many do not under-

PUT OUT THE FIRE, LOCK THE DOOR

For You Can't Go Back After You've Seen Our Beautiful San Jacinto

Now is the time to sell your high-priced ranches, and secure better ones for one-third the money in the fertile SAN JACINTO VALLEY. This rare opportunity is open now. It will not be a few months hence. These lands cannot be duplicated for anything like the price in the whole state. They are strictly high class in every particular. Some have fine brick houses, land all under a high state of cultivation, and right at the edge of town.

If you want to double your money in less time than it takes to tell it, now is the time to do it. The very best of terms are available at this

particular time. Large holdings have been secured from Eastern owners who are unaware of the recent development; especially the great new water discovery.

A committee with autos has been appointed to show everybody around free, and we extend a hearty invitation to all of our good neighbors to see this beautiful little Valley of ours in all its glory. Come over on the Santa Fe in the morning, back in the evening. San Jacinto Board of Trade, San Jacinto, Cal.

LOOK for another message in this paper tomorrow. Send card for photographs and further particulars.

stand fully the situation, it has been suggested that one from each side of the controversy explain his views in a public meeting at Athletic Club Hall, or some other appropriate place, at some date previous to April 8th.

The meeting to be in charge of two moderators or chairmen, each speaker to choose one. The main question to be discussed is, "Should the Present Board of Trustees Be Returned?" The committee representing the negative of this question have asked me to represent them, if such arrangement can be made. I am not, nor do I pretend to claim, that I am a public speaker, but think I am able to present some plain facts, the stating of which do not require oratory. So I have consented to discuss the situation either with Mr. S. Armor of the Post, Mr. W. O. Hart of the News, or Mr. A. Dittmer, chairman of the board of trustees. If either of these gentlemen wish to champion the fitness of the present board to manage our affairs, judging by their past and present management, each side can then appoint a committee which shall as a joint committee arrange details for the meeting.

The whole affair should be free from partisanship, personalities and vindictiveness, and with a desire on the part of each speaker to present facts only. In short, the only object should be to inform and educate those who are not familiar with the needs of our city at this time.

Respectfully,
S. M. CRADDICK.

Why do these gentlemen hesitate to accept this proposition to talk the matter over in public? Voters want to hear both sides, instead of accepting the biased reports of our local papers. It looks to us very much as though the advocates of the old board were not willing to have the searchlight of facts turned towards the voter. It would seem that the Push only want the "put up, cut and dried meetings," like the two they have had, instead of an open meeting with the people for judges. They are afraid of the light.

Now, fellow citizens, those of you who favor the Reform Ticket, do not fail to vote next Monday, and see to it that your neighbor votes with you.

Vote Carefully

Next Monday is our city election. It is in the power of voters to return the present board, or to select a new board, which we claim would be better. There will be but two voting places. Ascertain where to vote, and as there are liable to be so many mistakes in marking the ballots, we will again insert the correctly marked ballot with additional instructions:

Trustees 2 Years, Vote for 2

W. H. H. Clayton X

M. Eltiste

C. C. Stoner X

J. L. Wheeler

Trustees 4 Years, Vote for 3

Elwood Coate X

A. Dittmer

G. G. Richards X

E. H. Smith

W. H. Wright X

Do not use a pencil in marking a ballot. Place the rubber stamp opposite each one for whom you wish to vote. Do not have more than five crosses for trustees. Do not mark more than two for short term, nor more than three for full term. If you make a mistake in marking your ballot, do not try to change it, but return the ballot and get another. By voting your ticket as marked above, you will vote for clean, capable men, for men who will account for the proper handling of your cash, who will see that Orange forges ahead, but with expenses and taxes kept at the minimum of our needs as a progressive, up-to-date city.

W. N. PAINE,
H. WYNEKEN,
J. D. MOORE,
W. J. CHURCH,
E. D. JONES.

Orange Politics

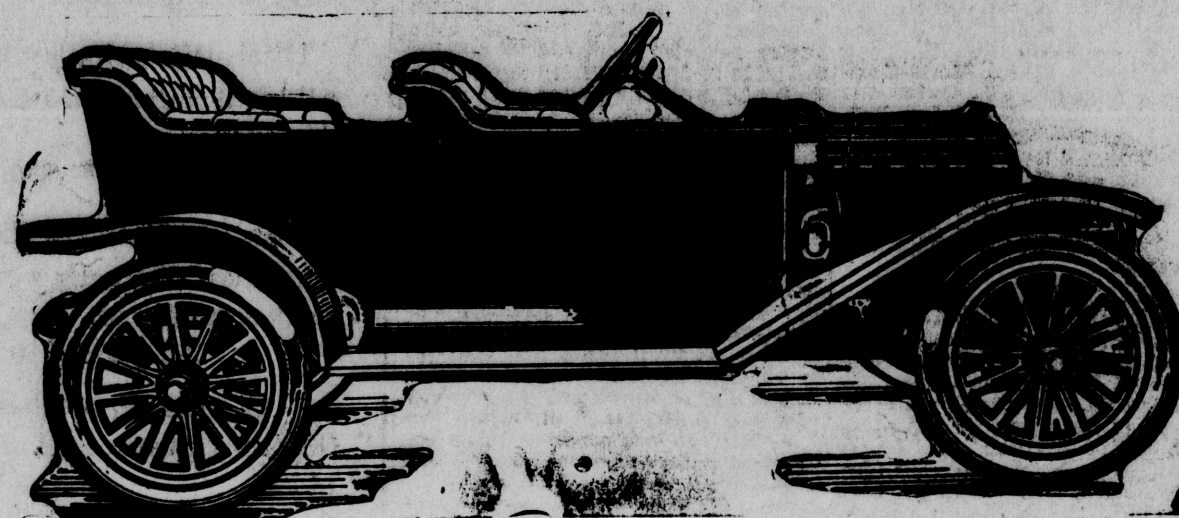

Let us have facts. The executive committee of the Young Men's Club, in the Orange News, March 30th, seems to doubt the correctness of statements made by the publicity committee of the Reform Ticket. This committee received most of its information from me. I received all

FLANDERS

TWENTY

Three Speed, Fore-Door Five-Passenger Touring Car \$900.00

As Shown in Cut

HERE is the car which finally and completely solves the problem of the highest grade car at a price within the reach of every man. For \$900 we offer an automobile with full fore-door body, ample room for five passengers and with three-speed transmission.

Examine it, scrutinize it to the last detail and you will be convinced that this, the latest achievement of the E-M-F factories, offers extraordinary automobile value.

The business man of moderate circumstances who desires for himself and family the health, the enjoyment of automobilism, can now secure a touring car of certain reliability at a purchase price within his means. For \$900 he will buy in the Flanders "20" a car to carry five passengers far across the country and back again, surely, swiftly, in the life-giving out-of-doors.

You can rely on this car. It has the power to climb any hills you may encounter and travel through sand, mud and over roughest roads. Moreover, in ease of operation, in economy of fuel and upkeep, the car will be a constant and pleasant revelation. You will be delighted to discover for what small expense you can drive a Flanders "20."

Add to utility, the gratifying beauty of line which this car embodies. The body is a full fore-door type, with wide full fenders which confirm the impression of speed and strength. Side by side with any car on the road the owner of the Flanders "20" will be assured that his car in unmistakable automobile value has no superior.

In mechanical principle the new Flanders "20" advances far beyond previous cars at a comparable price. The three-speed feature has been introduced and offers the same advantages as a higher priced car. In addition the chassis has been lightened, the motor more deftly built and adjustable push rods provided.

In a certain sense this car is not a new car. It is the product of the E-M-F factories whose eight plants furnish an unequalled equipment for building motor cars at a minimum cost and with economical attention to detail. E-M-F quality is literally famous as the standard in automobiles. Other machines will cost more, but every automobile built by the E-M-F factories provides a dollar for dollar value which has long been the despair of other manufacturers.

Into the new car the E-M-F designers have put all their experience. The design is studied to the last degree of simplicity and refinement, and on these lines is built a car from high grade materials whose quality we absolutely know, and which we construct with the most careful and intelligent workmanship.

Things Look Good

GARDEN GROVE, April 5.—A large happy smile is worn by every resident of Garden Grove these days for the rains of March have surely been beneficial to both the farmer and also the business man. To the farmers it has meant that all their crops will have plenty of moisture to make them yield high. The barley, beets and vegetables are looking fine. The light rainfall of Thursday was of especial benefit to the beets and will soften the soil just enough to make it easy for the young plants to break through the crust.

The farmers of Garden Grove are the most independent of any on account of their supply of Artesian water, and water from pumping plants. From these plants, which nearly everyone has, water can be secured whenever it is wanted, for at some times of the year the crops need water and a few days makes lots of difference. All that is necessary is just to start the engine and the water can be supplied.

With the irrigation system which is indispensable itself, the farmer must wait for his turn, and in some cases the crops suffer, but in this section the wells can be put to work at once. Water supplied by one farmer to another sells for about sixty cents per hour per head.

It is said that electricity is the key of success to this section, and it is in many ways, although not absolutely necessary. It is true, however, that the electric car service between this city and Los Angeles and between here and Santa Ana has done a great deal towards the development in this section. Electricity is used by a great many of the farmers for pumping water and also for lighting and cooking purposes.

The amount of development work and growth of Garden Grove can be easily noticed by the casual observer just from the cars in passing. Many new houses under construction are in evidence and the lumber yard always presents a busy scene.

The quality of our work is unequalled. The People's New Laundry, 901 E. Fifth St. Both phones.

GARDEN GROVE NEWS BUDGET

The County Y.M.C.A. Convention Will Last for Three Days Early in May

GARDEN GROVE, April 5.—Miss Georgina German is visiting for a few days with her grand-parents, Rev. and Mrs. Thomas Irvine, at Downey.

German and Wilbur Harper leave tonight for Pasadena to attend the state convention of the Y.M.C.A. at that place. These two young men represent the high school. The convention will continue over Sunday.

Rev. F. D. Ashleigh, pastor of the M. E. church at this place, is moving into the new parsonage this week. The new home has just been completed and is of seven rooms, and was erected at a cost of about \$2000.

Miss Esther Headstrom returned yesterday to her college work at Redlands University, after a week's vacation with her folks.

The county board of the Y.M.C.A. met last Thursday in Anaheim and decided to hold the county convention this year in Garden Grove for three days, beginning May 3. It was decided to open it Friday night with a banquet. No announcement of the speakers or program for the convention has yet been made.

Mildred and Blanche Fewel of Tustin are visiting for a few days with Mr. C. Vinsin and family of this place.

The People's Store is putting in a new skylight, which will make the store seem brighter.

Will McKeon is in the northern part of the state for a week on business, and expects to be home on Saturday.

H. A. Bon Durant, in addition to his barber business, is somewhat of a rancher besides. All of his spare time nowadays is being devoted to setting out his eight-acre tract of land to Valencia oranges. He says that many of his neighbors are doing the same thing.

White & Gersdorf are installing a lathe and other machinery for gasoline engine work, and in fact for most any kind of work.

The real estate firm of Rayburn & Jackson report that many people have been looking over Garden Grove property and that they are very much interested in it. He says he hopes to make several good sized sales in the next few weeks.

—Quality, price and silver spoon coupon in every sack of flour and cereals bearing name of the Olive Mills.

Remarkable Interest in This County Shown by Records at Courthouse

No other proof of the remarkable growth of Orange county during the last year is needed than the records of the office of County Recorder George E. Peters. Comparison of the fee receipts of any one month in the last six or eight months with the corresponding month of the year previous shows a gain that indicates that Orange county is forging ahead.

March, 1912, gave in \$1589.25 in fees, as against \$1398.80 of March, 1911. February showed a most remarkable gain with the figures \$1497.70 for 1912 as against \$1045 for 1911, and January of 1912 shot far ahead of January, 1911, as shown by the sums \$1722.40 for 1912, and \$1309.50 for 1911.

"The activity is shown both in country and cities," said Recorder Peters. "This county is growing rapidly. A large number of new farms have been sold, several hundred of them. And the best of it is that it keeps getting better all the time."

"One thing I have noticed is that for a presidential year money does not seem to be tightening up as is generally the case. Nearly all of the mortgages filed here are six and seven per cent mortgages, which does not indicate that money is tightening up."

STATION IS NAMED DYER

New Sugar Plant Assuming in Appearance the Proportions of Factory

Santa Ana Contractor Will Build Beet Sheds, Dumps, Etc., for \$17,995

The new station on the Southern Pacific between Santa Ana and Newport Beach at the point where the Santa Ana Co-operative Sugar Company factory is being built is called Dyer. The station is named after the Dyer Company, which has the contract for building the main factory building. The last three or four weeks has made a big change in the appearance of the place where the factory is being built. Steel work is going into the air, and the place is assuming more the appearance of the big plant it will have upon it when the sugar-making campaign begins next August.

Yesterday there was recorded at the courthouse a contract between the Santa Ana Co-operative Sugar Company and C. McNeill, the Santa Ana contractor who also has the contract for the \$20,000 warehouse, for the erection of the concrete flumes, railroad trestle, wagon beet dumps and beet sheds at the plant. The contract price is \$17,995.

MANY KINDS OF BUILDING

New Houses, New Bricks, Addition to Church and Additions to Houses

Month of March Showed Nearly 100 Per Cent Gain Over March, 1911

The permits of the last week show building activity in number of different lines. Residences for which permits are taken out run from \$4200 down to \$1500. A permit is out for the Remsburg brick building at the corner of Fifth and Bush, to cost \$4000. The permit for the addition to the First Methodist church was also issued. Numerous repair and addition jobs for residences are under way.

At 412 South Birch street D. W. Sturgeon is building a fine 9-room house, which will cost about \$4200. C. F. Crose, who owns a fine corner at the southeast corner of Cypress and Pine streets, has taken out a permit for a new \$3000 home.

Building activities all over the city are keeping up their healthy pace. The permits for March indicate an increase of nearly 100 per cent over March, 1911. Last month had fifty-two permits, aggregating \$79,240, while March of the previous year had forty-two permits aggregating \$44,567.

The month of April has started out in good shape, and every indication is that the month will see not less than forty new homes started in Santa Ana, probably not less than forty-five, for Santa Ana is keeping up a record of three new houses every two days.

W. D. Moore has completed a 5-room bungalow for John Ramsey at the corner of Fifth and Baker, and one for Mr. Standard on Riverine.

Piles Cured in 6 to 14 Days

—Your druggist will refund money if Pazo Ointment fails to cure any case of Itching, Blind, Bleeding or Protruding Piles in 6 to 14 days. 50c.

BUILDING PERMITS ISSUED DURING THE LAST WEEK

To Charles Remsburg, with G. E. Prohle contractor; brick building at 419 Bush, \$4000.

To J. N. Osborn, brooder house at 1635 East Fourth, \$65.

To M. E. Church, with E. W. Smith contractor; addition at corner Bush and Sixth, \$10,000.

To R. W. Gillespie, with Ramsey and Mitchell contractors; 5-room cottage at 426 South Broadway, \$1875.

To D. W. Sturgeon, with Ramsey and Mitchell contractors; 9-room residence at 412 South Birch, \$4195.

To A. W. Cowen, with J. M. Cartwright contractor; addition at 2119 Bush, \$450.

To Margaret Wall, with S. B. Stambaugh contractor; addition, \$300.

Mrs. P. R. Rimer, porch at 1159 Hickory, \$50.

To W. Frank Harris, repairs at 907 West Walnut, \$250.

To E. E. Greenleaf, with G. R. West contractor; repairs at 2010 Greenleaf, \$75.

To Frank Stout, 7-room bungalow at 618 Ross, with R. C. McMillan contractor; \$1825.

To C. F. Crose, with R. C. McMillan contractor; 6-room residence at 301 Cypress, \$3000.

To J. A. Crowther, with May and Melbourne contractors; 6-room cottage at 611 East Second, \$1750.

To P. A. Robinson and son, 5-room bungalow at 1215 Van Ness, \$1500.

To R. Earl Elliott, with Thomas Ash contractor; story and a half 7-room residence at 319 East Seventeenth, \$2500.

SELLS RANCH FOR \$125,000

Comedian Sells His Ninety-Acre Property at Placentia to Oil Men

Price Received Far in Advance of That Paid by Him Three Years Ago

Nat Goodwin, the famous comedian, has sold his ninety-acre ranch at Placentia, bought three years ago from W. B. Hervey, the Santa Ana pioneer. The agreement of sale, signed on Jan. 23, was placed on record yesterday afternoon.

The sale is from Goodwin and his trustee, T. H. Dudley of Ocean Park, to William Loftus and James P. O'Brien, well known oil men. Loftus gets a two-thirds interest and O'Brien one-third.

There has been \$10,000 paid. On May 1 \$30,000 is to be paid and on Nov. 1, \$23,000. The remainder is to be paid in 1913.

By the agreement of sale all the implements and stock on the place go to the purchasers.

The price named in the agreement is between \$45,000 and \$50,000 more than was paid by Goodwin for the property. That does not mean clear profit, for ten acres of the land has been set out, and Goodwin has spent considerable money in other improvements. Value of land in the thriving Placentia section, however, has advanced materially in the last three years.

BUILDING PERMITS LAST MONTH

Number and Amount Shows Decrease Compared to the Preceding Month

Orange News: A slump overlook the building permits for the month of March, with the result that the total sank to \$4500, a marked decrease from the preceding month, when \$11,500 was represented in the permits. The March permits are as follows:

E. G. Stinson	\$2500
Elmer Hayward	1000
L. M. Hartwick	200
D. L. Langendorfer	200
C. F. Newton	200
W. H. Wright	100
Total	\$4500

MUCH MOVING IN SIGHT AT THE BEACH

Newport News: C. J. Winkler has purchased the Winstanley lot between the bath-house and bank, and the old bowling alley, and will have his box-ball alley and shooting gallery moved to it. R. J. Shafer moved his building to the Williams lot on Newport avenue, the photo gallery will go in performing this difficult act he Low Wallace will move the residence now occupied by the Shafer family to his lot on Twenty-seventh street. The new Schnitker block will be started as soon as the ground is cleared and will be in charge of J. W. Carroll. The main room on the corner will be occupied by the drug store of Mr. Schnitker and the west room by Trickey's grocery. Across the back will be built a room 24x40 which will be occupied by Starck's pool room. This will take three places of business out of the Park block. The Wilson restaurant will then probably move into the present location of the drug store, the meat market take one room of the restaurant and the barber shop the other.

Cook's Addition to Garden Grove

This subdivision which has just been recently opened at the very center of Garden Grove, offers the best investment in Orange county for homes.

The subdivision consists of

Acre, Half-Acre Tracts and Large Lots

The addition faces on Ocean Avenue, Taft Avenue and McKeen Avenue. It is across from the Pacific Electric station on the south.

Water, both for irrigation and domestic purposes is piped to every acre and half acre tracts, and also to every lot.

We have sold several of these tracts to substantial business men of Santa Ana. A home on one of these acre or half acre tracts can be made to yield a comfortable and independent living from poultry, vegetables or fruits.

Prices of these Tracts Range from \$350 to \$650

Attractive terms will be given upon application. For sale by

Cook, Swett and Metcalf Owners

Garden Grove, Calif.

AT THE COURTHOUSE

HAS TO SERVE
HIS SENTENCE

Newport Beach Fisherman
Loses in Appellate Court;
Has 150 Days Coming

C. S. Hemstreet of Newport Beach failed to win his case in the Appellate Court, and must serve out the sentence of 150 days in jail and pay the fine of \$50.00 given him by Judge West in the superior court. Hemstreet, a fisherman, was convicted of selling liquor to a minor at Newport Beach two years ago. He took an appeal to the superior court, and was convicted there by District Attorney West. Hemstreet's attorney went to the Appellate court seeking a writ of habeas corpus, and the district attorney appeared against him, and won. Notice of the decision, "writ denied and prisoner remanded," was received here today. Hemstreet is out on bond.

To Quiet Title
Santos Carrisoa of Anaheim has brought suit to quiet title to property at Anaheim against Lizzie Witte and others. Williams & Rutan are attorneys for the plaintiff.

Sainz's Trial Set
Rosario Sainz, charged with the murder of Jose Machado, was in court today with his attorneys, Wessel & Dutton, and his trial was set for June 10. His attorneys tried to get the trial postponed until September, saying they wanted to wait until after Gusman is out of jail in Los Angeles, where he is serving seven months for smuggling Chinese. District Attorney West objected to putting the case off that long, saying that Gusman's deposition is in the record of the former trial and can be used in the new trial.

Name is Changed
Judge West today signed an order changing the name of the Orange County Savings Bank to the Orange County Savings & Trust Co.

Lapique Again Loses
John Lapique has lost decision after decision in the suit in which he is plaintiff and Mouliot defendant. He tried to get a writ of review in

UNIFORM DIVORCE LAW TO BE
AN ISSUE BEFORE BIENNIAL
CONGRESS OF WOMAN'S CLUBS

ST. LOUIS, Mo., April 6.—A uniform divorce law for the United States will be one of the most important issues to be acted upon at the next biennial congress of the General Federation of Woman's Clubs in San Francisco, according to Mrs. Philip N. Moore, national president, here today. Mrs. Moore declared that the matter was now being considered by club women in their particular states and would be before the convention in June for final action.

"The executive board of the General Federation of Woman's Clubs passed a resolution favoring a uniform divorce law after complaints had been received from different state organizations, asking whether something could not be done to remedy the divorce evils existing," said Mrs. Moore.

"We referred this resolution back to the state organizations and many of them have already sent in resolutions endorsing the action for the uniform divorce law. In this way the matter will be thoroughly digested in the minds of the club women before we meet, so that some definite action is certain to be taken."

"I cannot say just what the Federation will recommend as articles of the uniform law. The abuses in some states are different from those in others, and when the women get together we will then be able to get all sides of the story and formulate recommendations that will represent every phase of the problem in this country."

"While a uniform divorce law will have to be a federal law, I believe that the uniform law will have to be

acted upon by the states individually first. Then it will be put up Congress. The executive board passed resolutions after we received word from one state, for instance, that marriages not valid there would be valid in the adjoining state. From another state came word that a man having procured a divorce could not remarry, yet he could be married in another state. Various complications, both legal, in regard to property, and social, arose as a consequence, and it was the sense of the various state organizations, that something should be done, and done soon."

Mrs. Moore clearly indicated that the Federation might be expected to go on record as favoring legislation which would prevent, for instance, a person divorced in one state, and forbidden by the courts to remarry, merely crossing the border into another state and being granted a license. In this connection the question of conditions under which marriage licenses shall be granted will come up, with promise that recommendations will be made for legislation setting a uniform period of time a person must be a resident of a state or county before a marriage license can be secured; or the setting of a uniform time in which application for a license must be filed before the license is actually issued.

It is believed by the women that such legislation would prevent persons forbidden to marry in one state going to another to evade the law, which sometimes lead to divorce.

The General Federation of Woman's Clubs has a membership of 800,000, representing every state in the Union.

to five years in San Quentin. He thanked Judge West for not making the term longer.

Suit is Filed

Thomas L. McFadden as guardian ad litem of the 4-year-old daughter left by W. E. McFadden has brought suit against Mrs. W. E. McFadden to settle the rights of the minor in the estate. The plaintiff declares that there is \$20,000 worth of property claimed by Mrs. McFadden as her sole property that in fact belongs to the estate. This is denied by Mrs. McFadden.

RODGER'S FUNERAL

TODAY—WIFE TOO ILL
TO ATTEND SERVICE

PASADENA, April 5.—Thirteen attended the funeral of Aviator Calbraith Rodgers today. His wife is prostrated under a nurse's care and was unable to attend. Lieutenant John Rodgers, U. S. N., Calbraith Rodgers' brother, was the only representative of the family here. No word has been heard from his mother, Mrs. H. S. Sweltzer, who is traveling in the West Indies.

Rodgers' body will be sent East tomorrow via the Santa Fe for interment in Pittsburgh. The great flag which Manager Linnard of the Hotel Maryland draped Rodgers upon his arrival here on his transcontinental trip, will be draped on the bier.

The school children who once showered the aviator with blossoms in a parade, deposited wreaths on the casket.

Y.M.C.A. CONVENTION
HEARS STRONG TALKS

California in 1915 and Her
Duty to Immigrants Subjects of Discussion

PASADENA, April 5.—This was the most important day of the Y.M.C.A. convention. This morning Rev. Dana Bartlett of Los Angeles gave an address on "California's Challenge of 1915," outlining the conditions confronting the state at the completion of the canal.

Robert Lynch, of the California Development Board, spoke on "Adapting California's Hospitality to the Immigrant."

Tonight Edward A. Steiner, the author, and President Jordan of Stanford University will speak.

HANDICAPPED

This is Case With Many
Santa Ana
People

Too many Santa Ana citizens are handicapped with bad backs. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills are for sick kidneys—thousands testify to their merit. Can you doubt Santa Ana evidence?

Mrs. M. W. Davis, 768 Cypress avenue, Santa Ana, Calif., says: "Doan's Kidney Pills have been used in our family off and on for several years. The person who has used Doan's Kidney Pills was severely afflicted with kidney trouble, the chief symptom being pains in the back. On a number of occasions he was obliged to quit work, owing to the severity of the attacks. Doan's Kidney Pills, procured at Doan's Drug Store, brought prompt relief and they have been an unfailing means of relief in this case since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

ONE DEAD AND THREE ARE
HURT IN CAR COLLISION

OAKLAND, April 5.—Richard Kes-

ale, a restaurateur, is dying and his wife, his fifteen-year-old daughter, Irma, and Chauffeur David Jones were seriously, perhaps fatally, hurt when an electric train collided with their taxicab, dragging the cab a block before the bodies were extricated.

CHILDREN OF THE POOR IN LOS ANGELES TENDERLY CARED FOR

Parent-Teachers Association Do Great Work—Which Is Told of
By Mrs. McKern

The following address was given on Tuesday afternoon before a meeting of the Parent-Teachers Association of Roosevelt school by Mrs. C. R. McKern, a member of the Los Angeles Parent-Teachers Association. She spoke about the emergency work carried on by those organizations. Mrs. McKern's address follows:

"Emergency Work"

This work was organized in Los Angeles in 1896. Because we found many children out of school for lack of clothing. We have a compulsory education law; you may send the truant officer after a child, but you cannot compel the child to go to school without proper clothing.

This committee was organized because it seemed right that a body of mothers should do this work and not depend upon the teachers. We found many teachers caring for children in order that they might make their grades. A committee of five was appointed to start the work. Two chairmen were named, one for supplies and investigating and one for purchasing. Material was purchased and made into garments. From this start we now have one hundred and one circles. All have an emergency committee. The women meet sometimes for an afternoon and some one day in the month for making and repairing. Only garments ready for use are sent to the central committee. The principals report cases and then they are investigated and relieved—sometimes it is clothing or food that is needed, then again it is medicine or books. This committee should be informed as to civic and school laws in order that they may direct those who are in need of help and advice. We have secured books and help for hundreds of children in school, compelled fathers to care for their families—have helped many mothers to feel that life was really worth living because somebody cares. We now have two beds in the maternity cottage, where we take care of needy, worthy mothers and where they receive proper attention and competent nursing during the period of their confinement.

At the Children's Hospital we have rooms where all children whose parents are not financially able to pay such attention as may be necessary after having been examined and recommended for treatment by the school physician, are taken care of at the Parent-Teacher Clinic. Here are two skilled dental operators, who not only put the children's teeth in order, but instruct them how to care for their teeth to prevent further decay. These men are paid by the Dental Association and Board of Education. Some of the leading eye specialists of the city give us two days each week, giving many treatments and doing much refraction work. Many glasses are furnished.

All work of a surgical nature, such as removal of tonsils or adenoids, is done by the Children's Hospital, the Parent-Teachers' Association committee being held responsible to the hospital for five dollars for each operation. The report for the dental clinic alone shows for last year that over two hundred cases were treated. We have no record of number of cases referred to the eye and ear clinic or any other department. The clinic is open every day from 1 to 5 o'clock p.m. We have a free nursery at Utah street, where the children, from young babies up to kindergarten age, are admitted. As many as thirty babies have been cared for at one time. The very small babies are fed milk, while the older ones are given Trisket and milk. We are hoping for more free nurseries in the poor districts of Los Angeles.

Many of the circles donated gifts and money to make merry at Christmas time. Last year we maintained five scholarships and purchased a wheel chair for a little child to ride to school in. The Mutual Aid gave help to ninety-two individuals. We care for children who are out of school for lack of clothing, food or medical attention, and secure legal protection for women and children.

We are assisting the "Hostetter School," which is composed of the children of "poor Mexicans" who work on the railroads and street railways at very small wages. We have provided cooking utensils and materials for hot lunches, which consist of rice cooked with milk and sugar, on Tuesday, soup on Wednesday and cocoa on Friday. Many of these little children have never known what under-clothing was until we furnished them this winter. The clothing that we give out is gathered up by the different circles, and sent to the rooms at the Chamber of Commerce, where every Monday two ladies open the rooms at 10 a.m., and remain until 4 p.m. They are kept busy fitting out needy children, and often men and women.

The Parent-Teachers' Association also assists at the Penny Kitchen at Castalar, where children are given a meal for a penny—a bowl of good soup and two generous slices of bread, and often fruit. To be sure, no one is turned away if he wants two bowls of soup, and many are fed that have no penny. A sandwich, of butter or jam is a real treat to those children, and a single piece of candy is a real treat. I am sure down here in Santa Ana such conditions do not exist, as in the cities.

59c lace collar sale worth from 75c to \$1.50; on special sale 200 lace coat and dress collars. The best value we ever had; just right for Easter. See the windows. E. S. Gilbert Company.

Register! Register!! NOW!!!

Every voter should bear in mind that registration for the Presidential Primary closes on April 13th. It should also be remembered that only those who in registering have stated their party affiliation can vote at primary elections. Those who in registering declined to state party preference, can have their registration changed in this respect by applying to the county clerk of their home counties before April 13th. The time is short. Act NOW—TODAY.

PAPERS NUMBERED FOR REWARDS TODAY

FIVE OF THIS ISSUE WILL
BE CALLED FOR NEXT TUESDAY

Save Your Paper—It May Be One of the Winning Numbers

The ad-number proposition is presented again today, this issue of the paper being numbered in the same manner as on the past two Fridays, except that instead of beginning to number at 100, we begin to number at 3400, which is where we left off last week.

None of the five numbers of last Friday's paper, for which rewards were offered, have as yet been brought in. This may be accounted for in two ways: The ones holding the numbers may not have found it convenient, as yet, to bring in their papers and claim the rewards, and again, the winning numbers may have fallen into the hands of five busy people who have not taken the time to save their papers from Friday until Tuesday. We know that there is a very large proportion of our subscribers who are watching out for the numbers, and for that reason will continue to number the papers. It is hoped that the reward-

winning numbers of last Friday's paper will yet be brought in.

Five numbers of today's paper will be called for in next Tuesday's paper and the rewards to be given for them will be announced in that issue. SAVE YOUR TODAY'S PAPER UNTIL NEXT TUESDAY; IT MAY BE ONE OF THE FIVE WANTED.

As explained in previous issues, the purpose of this proposition is to promote a greater degree of interest in reading advertisements; to induce a larger percentage of Register readers to adopt the habit of reading regularly the advertisements in its columns. Much time and effort is spent daily by advertisers in the preparation of their advertising talks to you, and a considerable sum of money is appropriated annually by merchants for the purpose of keeping you informed of what is as much to your interest as their own. Get the "ad.-reading habit and you'll be surprised at the profit and pleasure you derive from it.

THEODORE ROOSEVELT'S GREAT WORK FOR ALL OF THE PEOPLE

HE SHOULD BE RETURNED TO THE PRESIDENTIAL CHAIR TO FINISH THE WORK HE BEGUN

A. N. JUDD IN WATSONVILLE PAJARONIAN.

Recurring once more to the previous topic: How farmers arrive at conclusions from aggregate results, and thus make deductions for or against men or measures as well as policies. We have noticed for, lo! these many years the vast appropriations for rivers and harbors in order to facilitate transportation of the products of the farm and factory. We have watched with satisfaction the reduction of rates these improvements made, and we have taken deep interest in the reservation, reclamation, and conservation policies of THE ONE GREAT FRIEND TO ALL THE PEOPLE OF THIS COUNTRY. His tenure of office was far too short to round out in detail the possibilities that might be ours in extending for public use the untold wealth belonging to the people in water power, that can be harnessed for a minimum of the appropriations

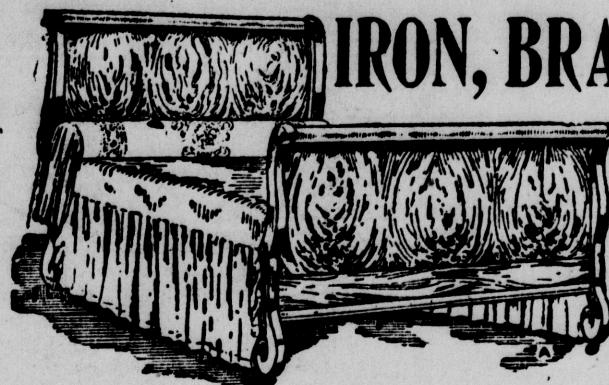

that our rivers and harbors cost, thus adding electric facilities to move those products to tide water. Let us look at that little map again; there are only three little black dots of reclamation—one at O'land, one at Modoc, and one at Yuma. Compare those with the 90,000 square miles of arable land, 70,000 acres of which could be improved by the same methods, enough to give a million people homes of more than forty acres each, and all this in California.

To show you how home and land hungry the people are, let me cite the Yuma project, where there were more than 5000 applications for 147 opportunities. Notice the great inland empire that you cross in going to Sacramento, then take the train at Port Costa and traverse the length of it to Tehachapi and see if that great waste held for, perhaps, a little spring feed for the cattle kings, don't give your "innards" a twist. While you are at it give them another wrench, by taking in the Sacramento valley, where you will find the farmers spending an average of \$4.70 an acre against overflow when, if Teddy's policy was carried out to its final conclusion, the irrigating canals necessary to bring into proper cultivation the million units of forty acres for each settler would amply take care of all the water available. To bring under cultivation all this vast area, reservoirs would become necessary. The innumerable sites that permeate the mountains, would conserve the flood waters for summer and fall use, the dams would furnish the power to pump these waters beyond gravity's reach to the foothills.

Go to Phoenix, and see the practical results of these ideas carried out. Fully digest these vast undertakings inaugurated in less than eight years by Roosevelt, and see if the aggregate results don't show up strong for Teddy. Do you blame the farmer for his warmth of feeling towards him and his policies. See what it means to California to have a man for president whose heart is in the work, and can perform such prodigious results in so short a time, as he did. Why he hid more in sixty days to secure the Panama Canal than all past presidents have done in twenty years. Pat Calhoun upbraids him for this work. Simon Guggenheim says nasty things about him for fear he will loose his grip on the mine that Taft is giving him. In fact that ilk up and down the country, is out in scorching heat in all the gutter dailies against him. So far they have kept out of a felon's cell by corrupting the courts. They have always been the enemy of the people. All this makes us love Teddy more.

Large assortment children's straw hats, nicely trimmed, turned down shapes, fine straw; choice for this Easter sale50c
These hats sell regularly at about \$1.00.

AUTOMOBILE WENT OVER EMBANKMENT

Fullerton News: President Benchley of the Farmers and Merchants' National Bank had a peculiar accident happen to his new automobile

Sunday. While motoring in the Trabuca canyon he attempted to pass a point where the road narrowed and slanted considerably. The rear wheels skidded and slid over the bank, dragging the machine down into the creek bottom, sixteen feet below. No injury was done, outside of the smash-

ing in of the trunk on the back of the machine. With the help of several men and tackle blocks the machine was drawn back into the highway again.

We have a good stock of 4 inch irrigating pipe on hand and can fill all orders promptly.

S. HILL & SON.

A DAMAGING REPORT OF FOREIGN MISSIONS

Present Teaching of Missions
Merely Morals—Not Christ.

Religion Has Been Cut Out and Education Substituted—\$30,000,000 Multiplied a Thousand Times Would Accomplish Little Respecting the Conversion of the World—Nothing Short of Christ's Kingdom Can Do It.

(PASTOR RUSSELL)

New York, March 31.—The International Bible Students Association secured the Hippodrome in which to hear the Report of its Committee on Foreign Missions Investigation. The spacious auditorium was crowded. Prof. F. H. Robinson, Secretary of the Committee, announced that the Report had been submitted to the Association and was in the printer's hands, to appear in pamphlet form illustrated at the small price of five cents per copy, postpaid—free to the poor. The conclusion of the Report is in the nature of a Summary, which he read. Some of its salient points are:—

Christianizing endeavors seem pretty generally to have ceased! Present missionary endeavors are almost exclusively along the line of secular education and medical aid.

There is less need of Academic and Collegiate education, such as the missionaries forward, than for Common Schooling.

The Orientals are often perplexed at the Missionary competition and opposition between Christian denominations. Orientals are not heathen-savages, but their educated classes include splendid specimens of noble manhood, the moral and intellectual peers of Europeans and Americans.

The very suggestion of the world's conversion is ridiculous to the peoples of the East—including the Missionaries. The interest on \$30,000,000, or the principal multiplied a thousand times, would accomplish little except along the lines of secular education—nothing as respects the world's conversion.

Pastor Russell's Hippodrome Address. Text: Ask of Me and I will give Thee the heathen for an inheritance, and the uttermost parts of the earth.—Ps. viii, 2. This text has been before the Pastor's mind continually during his world's tour.

(1) Why call the people of India, China and Japan heathens, since they are not barbarians but civilized? We follow the Bible, which uses the word heathen, Gentiles and nations interchangeably, and applies these terms to all except the Jewish nation and the Christian Church. The reason for this is that only Israel spiritual and Israel natural have thus far entered into covenant relationship with God.

The Pastor's second question was, To what extent is our Western civilization superior to that of the East?

He admitted that much could be said on both sides; that in some respects each had superiority over the other. Now, however, the people of the East are tacitly admitting the superiority of the West by gradually adopting our standards for schools, government, etc.

The Pastor's third question was:—
To What Extent is Christian Civilization Blessing the World?

He considered it beyond question that a blessing had come to the world through the teachings of Jesus and the Apostles—to all who accept the Gospel message in truth and sincerity. These enjoy intelligently a peace of God such as others cannot know.

But aside from these footstep followers of Jesus, the Pastor queried whether the remainder of mankind under Christian civilization were happier than those under heathen religions, such as Buddhism. What he had seen of India, China and Japan led him to believe that the 700,000,000 of these lands are more contented, more happy than are the peoples of Europe and America, even though they possess little of the wealth of the world.

What is the Reason For This?

Pastor Russell's answer is, It is because the teachings of Jesus and the Apostles, in line with the teachings of Moses and the Prophets, the teaching of human equality, begets a love of liberty and a contention for it. They get enough from Christ's teachings to arouse and awaken them, but not enough to sanctify them. This was the intimation of the Great Teacher, "Think not that I am come to send peace upon the earth; I tell you, Nay, but a sword."—Matthew x, 34.

"I Will Give Thee the Heathen."

At the beginning of this Age our Redeemer prayed for the Church, saying, "I pray not for the world (the heathen), but for those whom Thou hast given Me, that they may all be one." It has required this entire Age to find this elect company, and they will be made one by the glorious change of the First Resurrection.

Then will come the time when Jesus will pray for the world, as intimated in our text, and then the world will be given to Him. Since the sacrifice of Himself eighteen centuries ago, He has been gathering His Church, His Bride, to be His joint-heir in the Kingdom, which, according to Bible prophecy, will soon be established for the blessing of the world.—Acts iii, 12-21.

EDUCATION AT LUXOR, EGYPT, UNDER AMERICAN MISSIONS

Egyptian Gazette Tells of Graduation At Mission School in Which Many Santa Anans Are Interested

Through the courtesy of Miss Joella Gowdy, vice principal of the Santa Ana High School, and a prominent member of the United Presbyterian church, which aids in the support of a missionary at Luxor, Egypt, mentioned below, the writer was recently presented with a copy of the Egyptian Gazette, published at Alexandria, Egypt. The Gazette, published in that ancient land of the Nile, contains among other interesting matter, an account of graduating exercises at an American Mission Girls' school at Luxor, Egypt, on Jan. 3, 1912. As many Santa Ana people contribute to the support of this school, which is maintained by the United Presbyterians, the article is given below. The Miss Buchanan mentioned is the head of the school and was in Santa Ana over a year ago. The account is given in the form of special correspondence to the Egyptian Gazette from Luxor, and is under the caption of "Education at Luxor." It follows:

Yesterday and the day before a most interesting series of entertainments was given at the American Mission Girls' School in this town. Primarily held in connection with the presentation of diplomas to the graduating class of nine young women who had completed their course in the school, it was also made the occasion of the annual "commencement" reunion, and was attended by a very large and interested number of spectators who showed their high appreciation of the scholars' efficiency, and of the efforts of Miss Buchanan, the head of the school, and her assistants, both American and native. On account of the eagerness of the local friends and the parents of the scholars, and the length of the program arranged, it was found necessary to carry the entertainment over two afternoons, and the Tuff Club, whose meetings take place on Thursday afternoons, kindly consented to postpone its work this week, so as to enable a greater number of tourists to attend the school, with

the result that the accommodation at the disposal of the head mistress was filled to its fullest capacity, and although the entertainments were not billed to begin before 2 p.m., the place was getting well filled by noon.

On the first day were given essays in both English and Arabic, written by the girls; a pretty "Parasol" Drill by the little ones, and a complicated series of movements called the "Maypole" Drill, which was so much admired and so prettily performed that at the request of several of the ladies and gentlemen it was repeated on Friday. A very pretty and effective "Scarf" Drill was then given by twelve charmingly attired young ladies. Two items which elicited great applause from the audience were the song of "The Little Teacher," a little mite of only eight years, who took her part charmingly; and an English essay by one of the graduates—Miss Amalia Butros—on "Heroes of Peace." At the close of Thursday's program, there was an exhibition and sale of the needle and fancy work done by the girls during last session.

From the parents' and scholars' point of view, Friday saw the crowning event of the entertainments in the distribution of the diplomas to the nine graduates, the one carrying off the honors being Miss Nagla Gadesse of Keneh, she having taken a very high grade in her class.

The music was of a very high order indeed. Luxor people never having been treated to such excellence before by school girls. One little girl after only one term's instruction played a solo in excellent style and without a fault, and the greatest credit is due to her, instructress, Miss Black, for the way in which she has brought the child on. Her effort was received with great applause.

It would almost be impossible to give the names of even a small proportion of the well known people who attended, tourists and residents alike taking the keenest interest in the proceedings, and from the Mamour, who attended both days, downwards everyone seemed delighted.

LOCAL Y. M. C. A. CHARTER ROLL NOW HAS 270 NAMES

That the Y. M. C. A. is filling a long charter members should see Loren felt want among the men of Santa Ana is proven by the fact that it now has 270 members. The charter roll will remain open until noon, Tuesday, April 9. All those wishing to become

RESIGNATION IS RECEIVED

In Quitting Office of City Attorney Rush Blodget Speaks His Mind

Huntington Beach News: The session of Monday night's meeting of the city trustees was the resignation of City Attorney Rush M. Blodget, when his term of office had practically expired. It was the last regular meeting of the present board of city trustees and was attended by all the members except Trustee French, who was absent in Los Angeles.

In tendering his resignation, Mr. Blodget referred bitterly to those who had been his enemies and the enemies of the present board and stated that he resigned his office with a clear conscience and a sense of having performed his whole duty. There is no doubt that a very large majority of the people of Huntington Beach agree with the attorney in this statement.

Assistant City Attorney D. G. Wetlin, following the example of his superior, tendered his resignation of the office, to become effective at the next meeting of the trustees. In doing so, Mr. Wetlin stated that having received his appointment from Mr. Blodget, he felt that he should not hold his position when that gentleman had resigned.

Are Married. Raleigh Vincent, a son of Mr. and Mrs. E. L. Vincent of Huntington Beach, was married at San Francisco on Thursday of last week to Miss Rena Huddleston, formerly of Old Newport. The marriage occurred at the home of the bride and was performed by a minister of the Baptist church. Mr. and Mrs. Vincent reached this city last Monday and will be at home at the residence of his parents in the Vista del Mar tract for a few weeks, afterwards occupying a home of their own.

At a meeting of the local Tent City Company held Monday it was decided to order one hundred new tents. Of this number forty are to replace those now out of use and the remainder will increase the total number of tents to be used this summer, bringing it to two hundred and seventy-five. C. W. Warner was chosen general manager for the coming season to replace Willis Warner, who goes to Westminster to take charge of a lumber yard there.

FAMOUS HORSE IS TO BE WITH SHOW

"Rinaldo," the ball room horse, is going to visit Santa Ana. "Rinaldo" is the only living equine that can dance the two-step. Horses have been educated to do a great many things since they became such a prime factor in the world of amusements, but no horse ever really danced until "Rinaldo" came upon the scene. He is a handsome blood-bay horse bred along the Kentucky saddle lines. In performing this difficult act he actually keeps time to the music, whether the music be fast or slow. He does so without any prompting from his rider, and usually makes three complete circles of the arena. "Rinaldo" is ridden by Mrs. Rhoda Royal, who has trained him to do this feat. He will be seen here during all the performances of the Sells-Floto Circus, which comes to Santa Ana for a single day's engagement, Friday, April 12.

If you do your washing, try our rough dry work instead. It is reasonable in price. The People's New Laundry, 901 E. Fifth St. Both phones.

JUST PLAIN HERB REMEDIES WILL MAKE YOU WELL

You can throw all your quack nostrums and injurious drugs to the four winds—there is no permanent value to them. Sooner or later you will come to recognize the fact that the remedies the all-wise Creator himself provides are the only remedies you can safely and successfully employ.

For any affection of the blood, stomach, liver or kidneys, there is absolutely no remedy so surely efficacious as Braxton's System Builder—it is simply and purely herbs—scientifically compounded and put up in pleasant-to-take tablets—can't injure a well person and cannot help out benefit you if you are not well. 50 doses, 50¢—all druggists, or Wheeler and Ma-teer, special agents.

Dr. Rossiter & Paul, Dentists corner Fourth and Main Sts.

Last Call For

REO THE FIFTH

The latest product of R. E. Olds, a master mind in the Automobile world. Every line of its aristocratic design speaks

OF COMFORT, ATTRACTIVENESS, STABILITY AND SAFETY—THOSE FOUR ESSENTIALS SO NECESSARY TO THE FULL SATISFACTION AND COMFORT.

The car with the left-hand drive, center control, demountable rims.

Every bearing can be adjusted from the outside

—not necessary to tear everything apart to take up lost motion.

Reo the Fifth IS THE LATEST PRODUCT OF A FACTORY THAT HAS BEEN MAKING GAS ENGINES FOR 25 YEARS AND HAS TURNED OUT MORE SUCCESSFUL AUTOMOBILES THAN MOST OTHER FACTORIES. THE EXPERIENCE OF OTHERS SHOULD BE THAT BY WHICH YOU SHOULD PROFIT. DON'T BUY A CAR THAT HAS NOT STOOD THE TEST OF TIME.

The biggest Automobile value on the Market

Reo the Fifth—5-passenger, Fore-dore Touring Car, fully equipped. \$1285.00

Reo the Fifth—4-passenger, Demi-Tonneau Roadster \$1285.00

Reo the Fifth—2-passenger Torpedo Roadster, price \$1220.00

EQUIPMENT: Mohair Top with full Side Curtains, Mohair Slip Cover, Windshield, Ventilator, Speedometer and Gas Tank, three Oil Lamps, two Gas Lamps, Horn, complete tool and tire outfit.

Reo the Fifth is here. Come in and let us demonstrate its many points of superiority.
